Infant Care

- Warm and responsive care is crucial for your infant's healthy development. Your baby will be held and nurtured by loving caregivers
- We enrich the infants environment with soft toys, colorful books and music
- Staff interact with babies, play games, and make crafts along with painting and art
- Each day we update you on your baby's care, including sleeping, eating and diapering
- Scheduled gym activities to encourage physical development and motor skills
- Additional activities: music and movements, library time, outdoor time
- Outdoor play in the infant/toddler playground, exploratory nature walks

Toddler Care

- Toddlers are developing rapidly. They are beginning to think through their actions, solve problems and understand language
- They thrive on new experiences so we provide them with a safe, nurturing environment that allows each child to develop naturally, individually and happily
- Daily information on care routines like eating, napping and diapering
- Scheduled gym activities to encourage physical development and motor skills
- Additional activities: music/movements, library time, outdoor time, fun family phonics
- Outdoor play in the infant/toddler playground, exploratory nature walks, and gardening
